**Re: Notice of *Ex Parte* Meeting
WC Docket Nos. 04-36, 05-196**

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Federal Communications Commission's ("Commission") Rules, this letter serves to provide notice in the above-captioned proceedings of an *ex parte* meeting on August 5, 2005 between representatives of Vonage Holdings Corp. and its affiliates ("Vonage") and Colleen Heitkamp and Marcy Greene of the Commission's Enforcement Bureau. In addition to the undersigned, in attendance on behalf of Vonage were Christopher Murray, Martin Hakim Din, and Frank Cavaliere.

In this meeting Vonage discussed its ongoing initiative to obtain the affirmative acknowledgement of its customers as required by the Commission's VoIP 911 Order. Vonage also discussed its "933" capability. By dialing "933" from a Vonage enabled telephone, customers can obtain further information about the emergency dialing capability available to them. Vonage deployed this feature to provide additional emergency dialing information to its customers as well as to reduce the occurrence of 911 "test calls" to PSAPs. As Vonage deploys E-911 throughout the country, customers will be updated by a variety of means, including through 933.

Pursuant to the Commission's Rules, this letter is being filed in the above-captioned proceedings for inclusion in the public record. Should you have any questions, please do not hesitate to contact me.
